

wireless freedom everywhere

Affordable wireless internet access available here

To get started:

- * Search for the OzSpots Wireless network and click to connect.
- * Open browser of choice (Internet Explorer, Firefox, etc).
- * Select your access period & pay securely via credit card *.
- * Once payment is confirmed, you're ready to surf!

For all support enquiries, please search the free-to-access FAQ section of our website, or call our support number.

* Pre-paid cards available at some venues. Enquire at reception.
